Agreement with Foundation for Energy Therapies, Inc. Regarding Trips to Brazil

Responsibility: The Foundation for Energy Therapies, (the "Operator") is responsible for coordinating arrangements for the services offered in this packet of materials, including hotel accommodations and most meals for your stay, group van transfers and all daytrips and side trips. Dr. Emma Bragdon is the Director of The Foundation for Energy Therapies. The carriers, hotels and other suppliers providing their services are independent contractors and are not agents, employees of, or joint venturers with the Operator.

Liability: The tour participant agrees that neither the Operator nor Dr. Emma Bragdon shall be liable for any damage, loss (including losses related to personal injury, death, and/or property loss) or expenses occasioned by any act or omission of Operator or any supplier providing tour services, or any other person. Operator is not responsible for the willful or negligent acts and/or omissions of such suppliers. By using the travel services of the suppliers, you agree that Operator shall not be liable for any accident, injury, property damage, or personal loss which may occur to you or those traveling with you, in connection with any accommodations, transportation, or other travel services, or resulting directly or indirectly from any occurrences or conditions beyond Operator's control. Such occurrences or conditions would include, but are not limited to, acts of terrorism, civil unrest or hostilities, acts of nature or of animals, governmental actions, defects in vehicles, breakdown of equipment, strikes, theft, delay, or cancellation of or changes in itinerary or schedules. Operator is not responsible for: any expense or inconvenience caused by late arrivals of any such conveyances of such travel suppliers or any change of schedules, conveyances or accommodations determined by the tour operator; or for any cancellation or disruption of any such services provided by any travel suppliers; or for any failure on the part of any such tour operator or travel supplier to perform by reason of financial difficulty or default, suspension of operation, or other reason; or for any refunds for travel accommodations not provided by such tour operator or travel supplier.

Roommates are not guaranteed: Single rooms in the hotels where we stay may incur an extra charge. We will do our best to provide you with a suitable roommate if your preference is to share your room.

Changes or Cancellations: If the services included in the tour cannot be supplied, or itinerary changes occur for reasons beyond the control of Operator, it will arrange, wherever possible, for the provision of comparable services. Any resulting additional expense is payable by the tour participants, and any resulting saving will be refunded by Operator to tour participants when, and if, funds are repaid by the agents involved.

It is important to remain flexible while traveling. The availability of hotel rooms or land transportation may change without notice due to local customs or conditions. Therefore, Operator reserves the right to make changes in the itinerary whenever it deems it necessary for the comfort, convenience or safety of the tour participants, and to cancel the tour at any time. If Operator cancels a tour, it has no responsibility beyond the refund of all monies paid to it by the tour participants.

Customization/Airline Scheduling: If you plan to arrive early or stay beyond the scheduled tour, or to change your flight plans in any way from the itinerary, it is your responsibility to make those arrangements personally and separately or assure they are completed. You must notify Operator in writing of all flight schedules by the designated deadline. Meeting the deadlines will facilitate arranging group shuttle services.

Baggage Restrictions: The number of bags allowable on board the bus/shuttle is one large suitcase and one smaller carry on. Also, a wheelchair if necessary.

Tour Schedules: Changes from the tour schedule will not be allowed. If you are arriving early, we will meet you at our hotel on the first day of the tour as stipulated in the itinerary. If you are leaving early, you will be responsible for extra charges of getting to the airport earlier than our scheduled van. Operator is not responsible for anyone not meeting the tour schedule, but can arrange private taxi services for you, as needed. Time will be allotted on our trip for sightseeing and shopping. Any participant not meeting the schedule may be

dropped from the tour at Operator's discretion, and no monies will be refunded to that participant.

Meals: Many meals are included in this tour package. Consult the itinerary for details. The cost and arrangements for other meals and snacks are the responsibility of the participant. There will be onsite restaurant and room-service and other choices for meals within easy walking distance. Operator will make every attempt to assure the quality and variety of meals and food provided and to see that those who designate vegetarian meals receive their preference. It is important to remember, however, that foods and cooking styles vary within cultures.

Tips and Taxes: Tips are not included in the tour package, excepting group van service. Airport taxes and entry fees are not part of the tour package and must be paid locally when you enter a country that requires them. Your travel agent can advise you about paying these taxes and/or fees.

Payment Schedules: An initial deposit of \$750. (\$500 is non-refundable) is required to hold your reservation for the tour you have selected. Payment schedules are as follows: after initial deposit, total payment is due and payable 30 days prior to departure. It is imperative that the payment schedule be followed. Any individual who fails to make any payment by its designated due date may be replaced by the next person on the list. Please make payments to "The Foundation for Energy Therapies, Inc.", c/o Emma Bragdon, Director, at PO Box 325, Woodstock, VT 05091 USA. Email Dr. Bragdon for information regarding wire transfers: EBragdon@aol.com.

Refunds: This journey requires customization because it involves international communications. The following criteria must be met to receive a refund: After your registration is accepted by Operator you are guaranteed a slot on the tour. If you notify Operator in writing that you wish to withdraw from the tour, Operator will refund monies paid to that date excepting the non-refundable \$500. Thus, if you are accepted on the trip and a place has been assured and you cancel 31 days or more before the trip starts: \$250 of your deposit will be refunded. If you must cancel less than 30 days before the trip and

we have a qualified person to take your place (eg from our waiting list), we will refund the balance you have paid in full, minus \$500. If we cannot find a qualified person to take your place when you cancel in the 30 days before the trip starts, then we will keep the full amount of money you paid. If you have paid for the whole trip and must cancel more than 31 days before the trip begins, we will return all of your money except \$500 of the deposit.

If you suspect, for any reason, that a future situation may prevent you from attending this journey (such as on-going illness, family health problems, etc.) “trip cancellation insurance” is highly advised. This is typically available for purchase when you purchase your flights.

Insurance and/or travel protection plans are the responsibility of the participant to secure. The insurance companies will refund monies *providing their conditions have been met*. For No Shows, the entire payment is forfeited. Remit your insurance payment directly to the insurance carrier.

Travel Guard International (1-877-901-7599) provides trip cancellation insurance as well as medical protection. They cover pre-existing conditions as well as new problems which could occur. It appears that Travelocity.com has a very economical travel insurance plan. **Each participant must be covered by insurance for medical emergencies on this trip.**

Participants: No persons other than participants may accompany this tour without written permission of the Operator. Positions will be filled from the first mailing sent out to those designated by Operator which usually includes, but is not limited to, those who have previously traveled with Operator. Any remaining available spaces will be filled in the order in which reservations are received or by designation of Operator. Any individual who sends Operator a deposit, but does not secure a reservation on this tour, will be given a full refund.

Medical Responsibility: It is the sole responsibility of each participant to care for and make choices regarding his/her medical health and well-being.
